January

The Pangea Network **KENYA**

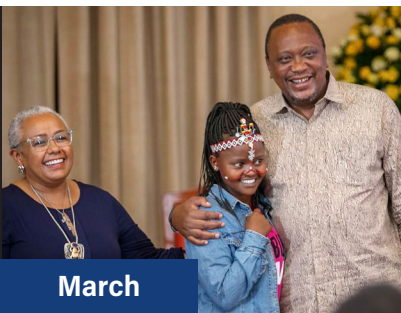

This project provides life and business skills training as well as small business revolving funds to women living in extreme poverty, setting them on a path to better health, rights awareness, more decision-making power, greater earning potential, and a dignified standard of living.

Maya Midwifery International **GUATEMALA**

This project will provide access to critical reproductive, maternal, and newborn healthcare services and birth education in four hard-to-reach communities in Guatemala.

February

March

Too Young to Wed **KENYA**

By informing girls and families of their rights, providing access to education, financial inclusion, and mentorship, this project will reduce the occurrence of child marriage and Female Genital Mutilation/Cutting (FGM/C) while increasing school attendance and literacy.

The MoonCatcher Project **UGANDA, MALAWI, KENYA**

This project empowers young girls to stay in school and complete their education by giving them the tools and knowledge to manage their menstrual periods with confidence and dignity.

April

May

Village Health Partnership **ETHIOPIA**

This project builds a work force of skilled nurse midwives to reduce rates of maternal and neonatal morbidity and mortality and prevent gynecological complications.

2023 Featured Grantees

JUNE - OCTOBER 2023

**TOGETHER
WOMEN RISE**

Collective action for global gender equality

FOR MORE INFORMATION, VISIT [TOGETHERWOMENRISE.ORG](https://togetherwomenrise.org)

June

Educate2Envision International **HONDURAS**

This project addresses key issues preventing girls' full participation in their rural communities, including a pervasive machismo culture, lack of female role models, and an ill-equipped education system that fails to connect girls to future income-generating opportunities.

Tomorrow's Women **PALESTINIAN TERRITORIES**

This project provides young Palestinian women with trauma healing, resiliency and leadership training. The women will also participate in a community needs assessment to mitigate the key barriers to Palestinian young women's engagement in peacemaking.

July

August

Arogya World **INDIA**

By modifying and testing culturally-appropriate food and nutrition materials, this project aims to improve health behaviors known to prevent non-communicable diseases like diabetes, and improve the lifelong nutritional status of underprivileged rural adolescent girls.

Last Mile4D **KENYA**

The purpose of this project is to end Female Genital Mutilation/Cutting (FGM/C) by educating, informing, and enlisting community-wide awareness and support.

September

October

Girl Rising **PAKISTAN**

This project provides adolescents, educators, parents, and community members with the resources, training, and skills to improve education quality, remove education barriers, and create new advocates for gender equality.
